Minister Eggen

At Reference 1 above, is a chain of email exchanges regarding my requests for clarifications to the Alberta School Act Section 50.1. I believe Alberta parents have the right to an unambiguous response (yes or no) to each of the following questions:

Q1 – For the purpose of implementing School Act 50.1, does the Government of Alberta interpret the term/topic/curriculum category - “human sexuality,” to include/incorporate/cover all indoctrination in “*sexual orientation, sexual identity, or sexual expression*”? **Please Yes or No**

Q2 – Does the Alberta Government declare that all School Boards should notify their district parents of courses of study, educational programs or instructional materials, or instruction or exercises, including subject-matter that deals primarily and explicitly with “*sexual orientation, sexual identity, or sexual expression*” for the purpose of allowing parents to opt their children out of this instruction? **Please Yes or No**

I respectfully ask that you answer Q1 and Q2.

At Reference 2 above, I recently updated your office on three videos produced to bring a Christian perspective to a number of issues related to Alberta Bill 10 legislation and your *Guidelines for Best Practices: Creating Learning Environments that Respect Diverse Sexual Orientations, Gender Identities and Gender Expressions* document. The fourth video is now posted, which addresses institutional bullying by the Ministry of Education, the Alberta Teachers’ Association, some school boards, and key Sexual Minority rights activists within the province. The four videos are:

[1 – Gender Ideology Puts Our Children at Risk](#)

[2 – GSA Law Violates Freedoms of Religion and Association](#)

[3 – Discrimination in Child Rearing and Education is a Parental Right](#)

[4 – Institutional Bullying Violates Freedoms of Religion and Speech](#)

I hope you will you assign a staff member to invest some time in viewing the presentations, which include 25 recommended remedies to bring about a better/fairer balance of Charter rights/protections, and a more mutually respectful “inclusivity” among key stakeholders – all students, all parents, all school boards/types, and the Education Ministry.

Sincerely

Carman Bradley
