1 – Background

With the approval in November 2017 of Bill 24 - *An Act to Support Gay-Straight Alliances*, Christians more than ever need to grasp the aggregate “negative” impact of *Inclusive Education Policy*, Bill 10, and Bill 24 on the up-bringing of our children. Over the past three months, since Follow-up Report #7, substantial additional data and evidence has been researched, analysed and refined in the case for substantial changes/improvements to the policy and legislations. 2 – Recent Activities by Bill10CourtChallenge.Org

On the 4th of this month, the Premier, Minister of Education, UCP Leader and UCP Shadow Minister of Education were mailed a hard copy of Ref. B. The covering letter read:

Premier Notley, Minister Eggen, Mr. Kenney and Mr. Smith,

Back in May-June of 2016, I wrote a number of times to my MLA – Honourable Greg Clark (Calgary-Elbow) about concerns with Bill 10 – *An Act to Amend the Alberta Bill of Rights to Protect Our Children*. On June 21, 2016, MLA Clark closed off our correspondence writing (in part):

As I'm sure you are aware, as a Canadian citizen, you have the right to challenge any law in court. I do not share your view in this matter and I will not be taking any action in the legislature to amend or repeal Bill 10. If you wish to contact me on other issues in the future, I would be happy to respond, but I will not be engaging further with you on this issue.

With passage of time and continued research into Alberta *Inclusive Education Policy*, Bill 10, and Bill 24 – *An Act to Support Gay-Straight Alliances*, my concerns have only intensified and been refined. It is one thing to advise that every citizen has the right to challenge any law (or public policy) in court; however, the average Canadian does not have the financial resources needed to challenge the laws and policy through the courts for some 7-10 years to achieve the desired legal clarity and remedy.

On the other hand, there remains considerable time before the May 2019 election, during which your parties (NDP and UCP) could publically clarify and/or legally redress pertinent concerns or declare by election platform your intentions to remedy stakeholder rights imbalances and policy oversight omissions. My bottom-line request, please have your staff invest time to review the enclosed *Oakes Test* analysis. I will be sending an electronic copy of the enclosed to most Alberta MLAs and school trustees.

Reference B. respectfully and significantly expands the discourse on *Inclusive Education Policy* and related legislation well beyond political talking points and media sound bites. Today, the remaining 82 Alberta MLAs and most (over 450) Alberta Public and Catholic school trustees were sent an electronic copy of the document.

A few of the 18 topics addressed include:

- Sexual Minority Political Activist Clubs Are Not the Same as Chess or Sport Clubs
- School Boards Lose Discretionary Powers and Responsiveness to Parents on Matters of GSAs and Inclusive Education Policy
- GSA Law, Inclusive Education Policy and Gender Ideology Put More Children at Risk
- To Move From Tolerance to Celebration of LGBTQ Lifestyles Christians, Muslims and Jews Must Deny Their Faith
- GSA Law and Inclusive Education Policy Breach Time-honoured Child-Rearing Rights and Contravene Legal Processes Established in Alberta Family Law

Ref. B. well documents from current Ontario, Alberta and US evidences what the future likely holds without numerous clarifications and remedial changes to the policy and laws.

3 – Request to Clergy

Please make your congregation or parish aware of the content of Ref. B., so that they can pray from an informed and motivated/burdened position. Prayer is requested for the Holy Spirit to reveal to Believers the truths surrounding *Inclusive Education Policy*, Bill 10 and Bill 24 legislations, associated Education Ministry guidelines, and the politics of the whole. Pray for Christ's hand of grace upon this matter. Pray for wisdom and discernment within the Body of Believers in responding to this continuing anti-Christian encroachment in all Alberta schools and the on-going erosion of parental rights. Pray that a better balance of rights and freedoms is found for all Alberta students and their parents.

Peace and Grace in Christ.
